dedication

Last year the 670 students of John H. Glenn High School dedicated their 1963 Patriot to Colonel John H. Glenn, hero of the United States of America, for his remarkable feat of orbiting the earth. This year the Patriot Staff has decided to dedicate the 1964 Patriot to a hero of the excelsior Union High School District. This person has held such jobs as teaching mechanical arts, Director of Attendance, Dean of Boys, but now holds a very important job, more important to us than any of the others. When we see his smiling face out among us, we realize that we are glad he is our Principal, Mr. Richard James. We are proud of you Mr. James!

Richard D. James

(forward)

This year we are faced with an ever growing student body, and I hope that will always be the case in the future. Our faculty has grown from 25 to 42 and our student body has soared to over 1000 (giving a little credit to the class of '67). There were many other changes this year. Last year we had plenty of hard, dry dirt when the sun shone, and plenty of soft, gushy mud when it didn't.

This year we have trees, flowers, and most wonderful of all, good old American grass. Our snack bar of last year is our Space Bar of this year and forever. Last year, John H. Glenn High School consisted of Freshmen and Sophomores; this year Glenn has Freshmen, Sophomores and Juniors. And next year (Glory!) Seniors and Graduation. We have grown and will continue growing for years and years to come.

Our theme this year is "We Are." The Annual Staff thought this theme should be used comically, so don't be surprised if you see some pretty strange things.....

Why "We Are"? Because we are the Hopes, The Dreams and the Future.

As in the rest of the country that black day, November 22, 1963, began as all other days at John H. Glenn High School. Then, fourth period, the rumor spread through the classrooms: "The President has been shot!"

By lunch time it was confirmed: John F. Kennedy, the President of the United States, was dead. A hush settled over the campus. Students, huddled in little groups, talked in quiet tones. The cafeteria radio was turned full volume and hundreds of students listened disbelievingly and some wept openly. It was a day in every high school student's life that will forever remain engraved on the memory.

Student Body Accounts is a class of selected business students who gain actual bookkeeping experience in keeping accounts of all money of the Student Body and school clubs.

They make bank deposits, write checks, and prepare monthly bookkeeping statements. They receive regular class credit. The Student Body Treasurer is in this group in order to know the finances of the Student Body at any given time.

The panel of five consisted: Chuck Kissel, who served as the chairman of the panel, Madelaine Olstynski, Al Hunter, John Schulte, A and Raul Jordan. They covered such department language, math, social science, and physical education. They touched on the subject of discipline seemed not to want deeply.

When the panel's time was up there was a question and answer period. A question that had to do with school, or what their doing in school were asked.

Pro Hoopsters Battle Faculty

When we have done this we feel we have accomplished a little something in life."

Some of the famous Harlem Stars are: Taylor (Lou Mouth) Billingsley, who stands a mere 6' and is a former Compton Junior College star. The "Mouth" will open his bag of tricks when the Stars hit the court and will keep the fans in stitches until the end of the game.

"Handy" Andy Shepard who stands 6'4" makes a grotesque picture with hands like hands and tenuous, ape-like arms which, by actual measurement, give him one of the longest boarding-house reaches known in the country today.

Donald "Gildersleeve" Becker, towering 6'7" and weighing 220 pounds, is known as the strongman of basketball.

Ed Wallace 6'5, 210 lbs. made All-State honors through consecutive years and was selected unanimously for two years high school American. He has several years experience with professional teams.

The choir, at John Glenn was very popular on campus, under the direction of Mr. Ronald Blank. This group of singers had performed at many activities on and off campus. There are forty-five members in this group.

A very select group was chosen to sing with the dance band. They were called the Glennaires and were picked from the choir.

The choir added spirit to Glenn students by singing their joyous Christmas carols during the Christmas season.

The Girls' Athletic Association is an organization formed to provide girls with an interest in sports and an opportunity to participate in them.

Glenn's girls athletes have attended and won many playdays at different schools, and have been hostesses to one, here at Glenn.

With the helpful and patient guidance of Mrs. Sharon Ward and Mrs. Brenda Haky, the girls have learned to improve their skill, to compete, and develop good sportsmanship and a sense of fair play.

John Glenn's Varsity football fortunes soared this year, as they completed a very successful season with a 6-2 record and berth in the C.I. F. playoffs. After losing the first game of the season, the Eagles swept through five opponents

before losing to Garey High, the eventual league champs. In the last game of the season the Eagles upset highly-favored Nogales High School and captured second place and a trip to C.I. F. In the C.I. F. playoffs Glenn lost to powerful Santa Clara which won the single A division championship. In all, Glenn won 6 and lost 3, but all three games that Glenn lost were to eventual C.I. F. or league champions.
